My Fellow Rotarians:

It gives me great pleasure to announce to you that at 12 noon today I have formally certified to the General Secretary of Rotary International **PAST PRESIDENT ISMAEL "BILLY" VILLAREAL** of the Rotary Club of Makati EDSA as our district's nominee for governor to serve in RY 2011-2012. He shall stand for election at the 2010 RI International Convention. God bless PP Billy!

A few weeks ago, at the height of electoral engagement, I called for sobriety and civility, and for democracy and discipline. You responded, my fellow Rotarians, and my heart is full and heavy with gratitude. Until this very moment, you continue to strengthen me with your overwhelming support, with your love and your affection, and I am humbled beyond measure. As we find ourselves approaching the end of this year of service, I once more presume upon your kindness. I call now for unity and healing. With malice towards none, with charity and goodwill towards all, I ask each and every one of you to again come together, and in each other's arms, rediscover Rotary.

Yours in Service,
